

Paul Nagyivanyi

DSA Class 1 Inspector #3056

PROFILE:

Mr. Nagyivanyi is a highly accomplished Construction Management and Inspection Professional with over 35 years of experience, specializing in Public Works, Educational Facilities, and Capital Improvement programs. His expertise spans across managing and inspecting large-scale projects, including schools, hospitals, and commercial structures. As a proven leader, Mr. Nagyivanyi excels in managing multiple projects simultaneously, guiding teams to overcome challenges, and delivering successful outcomes under budget constraints. He has held key roles such as Assistant Deputy Director of Inspection for the Los Angeles Community College District, overseeing a \$15 billion construction program. With extensive certifications, including DSA Class 1 and OSHPD Class A, and a commitment to ongoing education, Mr. Nagyivanyi is a proactive, results-driven professional adept at ensuring compliance and surpassing project objectives in the construction industry.

WORK EXPERIENCE:

Assistant Deputy Director of Inspection **2008 - Present** **Los Angeles Community College District** **A, AA, & J Bond Construction Projects**

Field training, oversight and management of all active IORs, provided technical support to IORs, development / implementation / enforcement of District Inspection program's policies and procedures, District Representation for all Project Inspectors and Specialty Inspectors of 15 billion dollar / 10 campus construction program (average 60 projects/year at \$10 to \$110 million/project), core member of the LACCD Interview panel for prospective IORs. Additionally, performed review of LOR reports, provided owner representation at weekly meetings, and developed and administered inspector reporting formats for District Inspection Program uniformity.
